

April 2024

## Maximum tariff list – partial coverage of costs by insurer

List of institutions and non-resident doctors not fully covered for the costs of treatment on a semi-private or private ward.

The list below applies to the following supplementary hospital insurance policies:

- **hospita**, if policy was taken out before 1 January 2022, STC 2021 edition (in particular Articles 1.7.2 to 1.7.5)
- **hospita**, if policy was taken out after 1 January 2022, STC 2022 edition (in particular Articles 1.5.2 to 1.5.6)
- **private patient supplement for inpatient treatment**, STC 2022 edition (in particular Articles 1.7.2 to 1.7.4)
- **flex kolping**, GTC 2022 edition (in particular Articles 13.1 to 13.3)
- **kombi**, GTC 2022 edition (in particular Articles 13.1 to 13.3)

### I. General information

The insurer shall define, by means of a maximum tariff, the costs that will be covered in the event of treatment by certain institutions and non-resident doctors/groups of non-resident doctors not considered to be recognised service providers.

If your desired institution or doctor is listed below, please make sure you check with us before starting your treatment to discuss the assumption of costs.

This avoids unpleasant surprises and uncovered costs.

Please call us on [+41 58 262 42 22](tel:+41582624222) for more information.

### II. List of unrecognised institutions

Based on the applicable Special Terms and Conditions, there is **no full entitlement to benefits** for the supplementary hospital insurance policies listed above at the institutions listed below:

Canton	Name of hospital/clinic	Product	Semi-private	Private	Specialist department
