

casamed family doctor

casamed family doctor – the principle.

casamed family doctor is a straightforward general practitioner system operated by Sympany. You choose a family doctor from the Sympany family doctor list. You undertake always to consult your casamed family doctor first when you are ill (this does not apply to emergencies). Please read the enclosed information sheet. It explains the main details of your casamed family doctor insurance scheme.

This is how to choose your casamed family doctor.

Choose a casamed family doctor. Complete this form and send it to Sympany with the application form.
