Hospital bed instead of a sunbed? With travel insurance, you can recover without the worry.

tourist

Enjoy your holidays.

Holiday insurance for 21 or 42 days per year

From a CHF 1 monthly premium (CHF 12 annual premium), you benefit from:

- worldwide coverage in the event of an emergency
- insurance for single people and families
- cover for your winter, spring, summer and autumn holidays

Benefits that leave nothing to be desired

- Emergency treatment for sickness, accidents or premature birth in Switzerland and abroad
- Transport, search, rescue and recovery operations
- Separate return journey (also for family members)
- Travel costs of visits by family members
- Translation support and information on where to find medical treatment

Refreshingly simple

tourist covers the need for permanent cover.

tourist is valid until the end of the calendar year and automatically renews for another year unless it is cancelled. That means: permanent travel insurance cover for an optional 21 or 42 holidays days per year. It couldn't be easier.

tourist provides you with peace of mind – particularly for long stays abroad.

You choose the benefits

tourist 50/100 or tourist 250/500 – the name says it all.

The ideal travel health insurance (with no age restrictions) for single people and families.

Family members are automatically included in the family cover (including cohabiting partners and their children).
